

Declaration of Conformity

We declare that following inverter(s) comply with the according regulations of the European Community, especially with those concerning EMC in accordance with 2004/108/EC, low voltage regulation in accordance with 2006/95/EC.

Product: Grid-tie PV inverter

Models: Sunville 1500X, Sunville 2000X, Sunville 2800X, Sunville 4000X, Sunville 4000AX, Sunville 6000X

Manufacturer's Name: Phoenixtec Power Co. Ltd

Manufacturer's Address: (1) No. 93, Shin Hu 3rd road, Nei Hu, Taipei, Taiwan
(2) No. 114, Sec. 2, Shi-Wan Rd., Shi-Chih, Taipei Hsien, Taiwan

The following regulations are furthermore complied with.

EMC:

Emission: DIN EN 61000-6-3 CISPR 22 : Class B

Immunity: DIN EN 61000-6-2

Safety: DIN EN50178 (VDE160) 1998-04
IEC 62103 (ed.1)

Others: Grid-tie standard:
DIN EN VDE0126-1-1 (2005.5) and following interface protection settings are included:

Parameter	Trip settings	Max. clearance time
Over Voltage	256 VAC	0.2 second
Under Voltage	192 VAC	0.2 second
Floating average voltage measurement	253 VAC	10 minutes
Over Frequency	50.19 Hz	0.2 second
Under Frequency	47.51 Hz	0.2 second
